

April 2009

Dear BAWA Member

INVESTING IN YOUR FINANCIAL FUTURE

With spring upon us now is a great time to look at things afresh and review existing financial plans to both SAVE MONEY and MAKE MONEY.

With the cost of living going up and the recession deepening there is no better time to ensure your financial plans are the best for you.

Do any of these statements ring any bells with you?

- **Savings accounts that give you virtually no interest**
- **Insurance premiums that are expensive and insufficient**
- **Mortgage payments way above the base rate.**
- **Old pensions that are doing nothing for you.**
- **Investments losing money.**

We can take the hassle away and save you the time and effort by explaining the best options and through our independent expertise identify where you can SAVE MONEY and MAKE MONEY.

To take advantage of our FREE and NO OBLIGATION Review Service for all BAWA MEMBERS please call FREEPHONE 0800 389 84 18 or e-mail us at info@westpoint.org.uk quoting "BAWA review"
