Your chosen space will be laid out to your requirements and drinks can be pre ordered or a running tab can be arranged on the night.

We can sell tickets for an event on your behalf through our box office which is open 7 days a week and keep you fully informed on how sales are going leading up to the event, plus we will advertise your event on our social media pages and our website which are well supported.

The Ballroom

Our Ballroom is the largest function space available for your event at BAWA and the room can host up to 350 guests or 250 plus for a dinner dance. The Ballroom has undergone an extensive refurbishment and now boasts a wonderful, modern contemporary style.

There are eight alcoves in the Ballroom providing a comfortable seating area that your guests will enjoy and there is plenty of available space in the room for your evening buffet or grill.

There is a well stocked private bar, one of the largest wooden dance floors that can be found in Bristol and an excellent stage for live entertainment. The DJ booth has fully integrated sound, lighting and large drop down projector screen if required.

We are very confident that you would be hard-pushed to find a better fully air-conditioned function space in the area that will create that 'wow' factor for your event.
